Introduction

The Ohio State Chiropractic Board is a state government agency established by the legislature in 1975 to regulate the practice of chiropractic and to protect the health, safety and welfare of the public. The Board is responsible for examining and licensing chiropractic physicians and enforcing the provisions of Chapter 4734 of the Ohio Revised Code and the Administrative Code adopted by the Board.

The Ohio Attorney General is the statutory legal counsel to the Board. An Assistant Attorney General from the Health and Human Services Section represents the Board in administrative hearings and court proceedings.

Mission Statement

As servants of the public, our purpose is to protect the public health, safety and welfare...

Our mission is to proactively protect the health and welfare of Ohio's citizens and to regulate the chiropractic profession with vision by setting high standards for licensure and by fairly and consistently enforcing those standards through examination of new doctors, biennial license renewal, clinic inspections, and timely investigation and disciplinary action when indicated.
Board Staff

The Board currently employs five full time employees to carry out its duties and responsibilities.

Kelly A. Caudill, Executive Director
Ms. Caudill serves as the chief enforcement officer for the Board, enforcing the laws and rules governing the practice of chiropractic in Ohio. Ms. Caudill also directs and manages all activities and programs of the Board office, carries out the Board Members’ directives, and oversees all legal and legislative activities.

Elizabeth N. Moore, Administrative Assistant
Liz serves as liaison to the Board members for their administrative support needs. Liz functions as the Board’s office manager and is responsible for personnel, public information, fleet management, fiscal, travel, payroll, records retention and inventory. Liz also manages the administrative rule making process and is responsible for editing and updating the Board’s website, applications, newsletters, publications, annual reports and forms.

Licensing Coordinator (vacant due to budget cut)¹
The Licensing Coordinator handles initial licensing, examinations, license renewal and continuing education.

M. Kate Borloglou, Paralegal
Kate is responsible for gathering preliminary case information and researching data to support the legal and enforcement staff, processing public records requests, conducting basic investigations and monitoring doctors subject to discipline and Quality Intervention participation. Kate is also responsible for reporting the Board’s disciplinary actions to the appropriate databanks.

Mark A. Brooks, Investigator
Rex J. Waldenmyer, Investigator
Rex and Mark conduct investigations relative to complaints involving the practice of chiropractic. These investigations may be highly specialized, complex and long-term. Investigations of persons rendering chiropractic services are conducted to determine the facts in each case, ascertain the exact basis of the complaint, and confirm allegations for administrative, civil, and criminal actions.

¹ This position was filled in FY 2012.
Chiropractic Board Members & Terms of Office

The Board is comprised of four chiropractic physicians and one public member. The Governor, with the advice and consent of the Senate, appoints members to four-year terms. Members are eligible to be re-appointed once. Board members are compensated hourly for actual time devoted to the Board’s affairs and are reimbursed for their travel expenses.

🔗 Board Memberships

The Board is an active member of the following organizations:

**Federation of Chiropractic Licensing Boards**
The Federation of Chiropractic Licensing Boards is a non-profit organization established in 1926 as the professional association for governmental regulatory boards responsible for chiropractic licensure. Membership is comprised of chiropractic licensing boards from the United States and Territories, Canada, Australia and Mexico.

As a member of the FCLB the Board receives free online reporting to the Chiropractic Information Network/Board Action Databank (CIN-BAD) an on-line computer database that tracks the disciplinary actions taken against chiropractic physicians in all jurisdictions, PowerPoll surveys regarding interpretative scope of practice issues, and educational conference communication.

**American Chiropractic Association (ACA)**
The American Chiropractic Association promotes the highest standards of ethics and patient care, contributing to the health and well-being of millions of chiropractic patients. The ACA serves as a resource for scope, coding and various others practice related topics.

**Federation of Associations of Regulatory Boards (FARB)**
The Federation of Associations of Regulatory Boards is a non-profit organization established in 1974 to promote excellence in the regulation of professions to protect the public. Member associations are of regulatory boards across disciplines, jurisdictions, and professions. FARB’s annual training events contribute to the continual development of excellence in regulation for the purpose of public protection.

**Council on Licensure, Enforcement and Regulation (CLEAR)**
The Council on Licensure, Enforcement and Regulation promotes regulatory excellence through conferences, educational programs, networking opportunities, publications, and research services for those involved with, or affected by, professional and occupational regulation. CLEAR's membership has included representatives of all governmental sectors, the private sector, and many others with an interest in this field. CLEAR serves and supports the international regulatory community and its vital contribution to public protection.
Citizen Advocacy Center (CAC)
The Citizen Advocacy Center serves the public interest by enhancing the effectiveness and accountability of health professional oversight bodies. As a resource for health professional boards, CAC offers training, research and networking opportunities for public members and for the health care regulatory, credentialing, and governing boards on which they serve.

✉️ Budgetary Matters
As required by ORC 4734.54, all receipts of the Board are deposited in the Occupational and Professional Licensing Fund (4K9).

✉️ Fiscal Summary

The Board renews chiropractic licenses and acupuncture certificates biennially. Fiscal Year 2011 was a non-renewal year therefore revenue is down.

Enforcement Statistics

The Executive Director serves as the Chief Enforcement Officer and enforces the laws and rules governing the practice of chiropractic. All complaints are reviewed to determine preliminary disposition: closure, referral to another agency, full field investigation, or hold open pending further information. Random compliance inspections are conducted by Board Investigators to ensure compliance with the Board’s laws and rules. The Board regularly works with law enforcement agencies statewide to investigate and prosecute misconduct by chiropractic physicians and the unlicensed practice of chiropractic.
